 Die durchgestrichene Mülltonne weist darauf hin, dass dieses Elektrogerät nicht im Hausmüll entsorgt werden darf.

Um die menschliche Gesundheit und die Umwelt vor möglichen Gefahrstoffen zu schützen, kann dieses Produkt am Ende seiner Lebensdauer kostenfrei bei einer Sammelstelle in Ihrer Nähe abgegeben werden.

Die gesonderte Entsorgung ermöglicht die Wiederverwendung bzw. Verwertung von Elektrogeräten.

 The crossed-out wheellie bin indicates that this electrical appliance must not be disposed of via household waste.

In order to protect human health and the environment against potentially hazardous substances, at the end of its lifecycle this product can be taken to a collection point close to you and disposed of free of charge there.

This separate disposal enables electrical appliances to be reused or recycled.

serien Raumleuchten GmbH Hainhäuser Str. 3-7 D-63110 Rodgau

Design Uwe Fischer

D Vor Montage der Leuchte Sicherung ausschalten.
Nur das beigefügte Montagmaterial verwenden.

GB Disconnect fuse prior to installation.
Use only the enclosed mounting material.

F Pour la pose de luminaire, couper le courant!
N'utilisez que le matériel de montage et les bornes de raccordement livrés avec le luminaire.

I Assicurarsi che la lampada si spenga prima del montaggio!
Per il montaggio, utilizzare esclusivamente la minuteria e i morsetti specifici per elementi di illuminazione inclusi nella confezione.

F

Den Glasschirm beim Anbringen nicht zu hoch über die Gummilippe stülpen, da sonst der Glas- bzw. Aluminiumkegel den weißen Reflektor beschädigt!

GB When mounting the glass shade be careful not to upend it too far over the sealing lip. Otherwise the glass or aluminium cone might damage the white reflector.

F Lors de la pose de l'abat-jour en verre, veiller à ne pas trop le remonter au-dessus du joint en caoutchouc, car sinon, le cône en verre ou en aluminium endommagerait le réflecteur blanc.

I Nel montarlo, non posizionare il paralume di vetro troppo in alto sul labbro di gomma, altrimenti la sfera di vetro o di alluminio potrebbe danneggiare il riflettore bianco.
